Address :No. 94, Wejin Road, Tianjin, China 300071

EDUCATION

- **Major in Economics** Tianjin, China
Sep. 2021 – Now
 - *Master of Economics; Nankai University*
- **B.A in Economics** Shenyang, China
Nov. 2017 – Jun. 2021
 - *Major in Economics; Liaoning University; GPA: 90.046 (9.00/10.00)*

EXPERIENCE AND RESEARCH

- **Frontier Theories and Methods in Statistics and Data** Certificate of Completion
Jul 2021
 - *2021 Summer school for Statistics Graduate of ECNU*
 - **Process:** Have studied *Statistical Analysis of Network Data, New development of tensor learning in recommender systems and imaging data, Empirical Bayes and Machine Learning* and *Some Typical Convex Optimization Problems and Their Solutions Methods*, etc advanced statistical methods and statistical theories.
 - **Results:** Obtain the certificate of completion, and have a certain grasp of advanced statistics and measurement methods.
- **“Internet Plus” Innovation and Entrepreneurship Competition** Provincial third Award
Sep 2019
 - *micro-point finance*
 - **Workflows:** As the leader, I organized a “three rural issues (agriculture, rural areas and farmers)” financial development survey in Guta District, Liaoning Province, then collected the data and make investigation report.
 - **Results:** Put forward the suggestions involve making full use of inclusive finance, combining with network technology to relieve information asymmetry in rural finance.
- **China Undergraduate Mathematical Contest in Modeling** Provincial Second Award
Nov 2018
 - *Intelligent RGV dynamic scheduling strategy*
 - **Process:** As the leader, I responsible for modeling, writing paper. Built up a model based on operations research theories to make optimal arrangements in sequence, especially in the area of intelligent processing.
 - **Results:** Accomplished our own paper Intelligent RGV dynamic scheduling strategy, familiar with the mathematical tool software and improved the writing ability.

HONORS AND AWARDS

- **The First, Second or Third Prize Scholarship:** 2018 – 2021
- **Shenyang Outstanding Student Award:** Dec. 2019
- **Shenyang Outstanding League Cadres Award:** Dec. 2019
- **Liaoning general higher education outstanding graduates Award:** Mar. 2021
- **Excellent graduate thesis Award:** Jun. 2021

PROGRAMMING SKILLS

- **Languages:** Python, Hexo, Git
- **Technologies:** Stata, EViews, SPSS, Origin, Office, Adobe(PhotoShop, Illustrator, InDesign)
